

# Freaks from the Deepest Web

Mobile game for Android/IOS

# Game Description

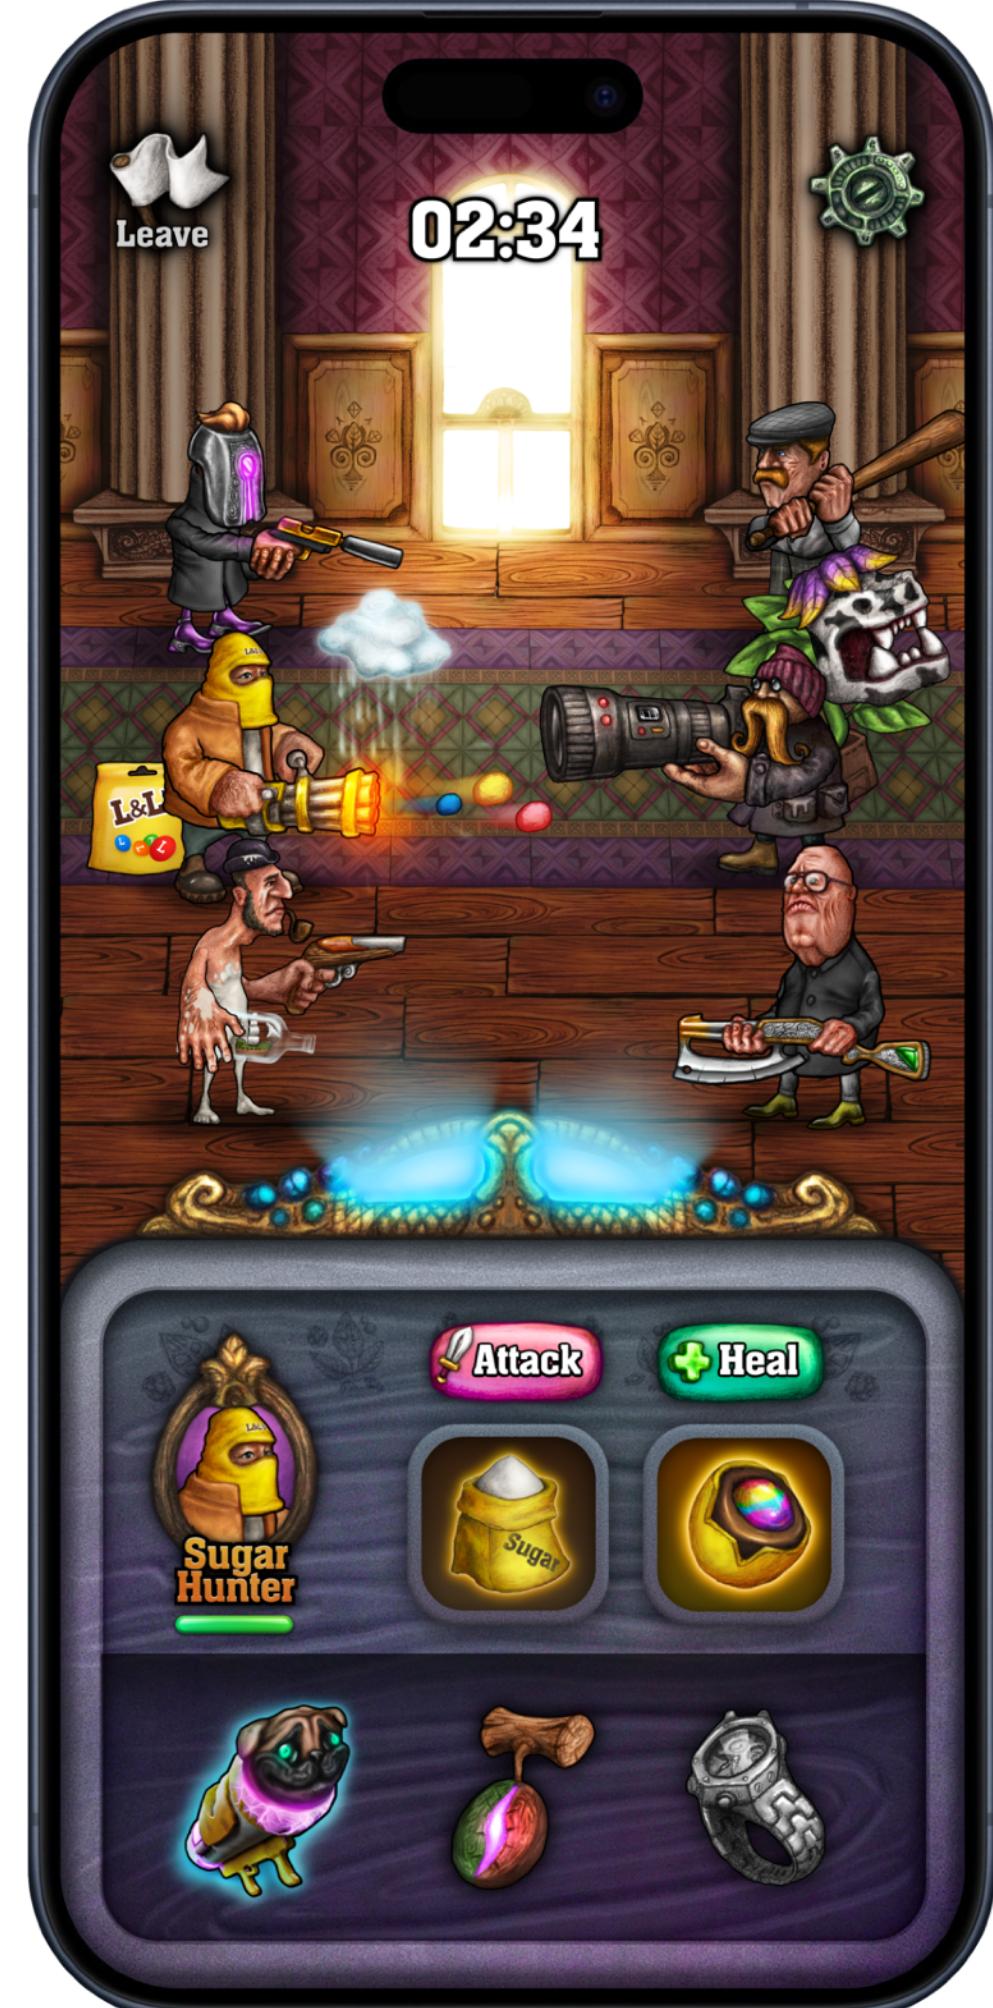

## A GAME INCLUDE TURN BASED BATTLE AND LAND TENURE

In the game you have to attack the player's business and build your own business.

Upgrade your business.  
Settle characters in buildings for defend.  
Buy item for improvement your characters.

## WORLD DESCRIPTION

The English island is engulfed in wars between mafia clans. All these clans are fighting for power over casinos, clubs and palaces. Bandits clashed with bureaucrats, lords and peers.

# Buildings Store

Buildings can be purchased or obtained in different activities. Next you need to build a building on the land. Further, the construction brings profit and opens missions.

In missions you can get random items, characters, and currency. You can also place characters in the building for protection.

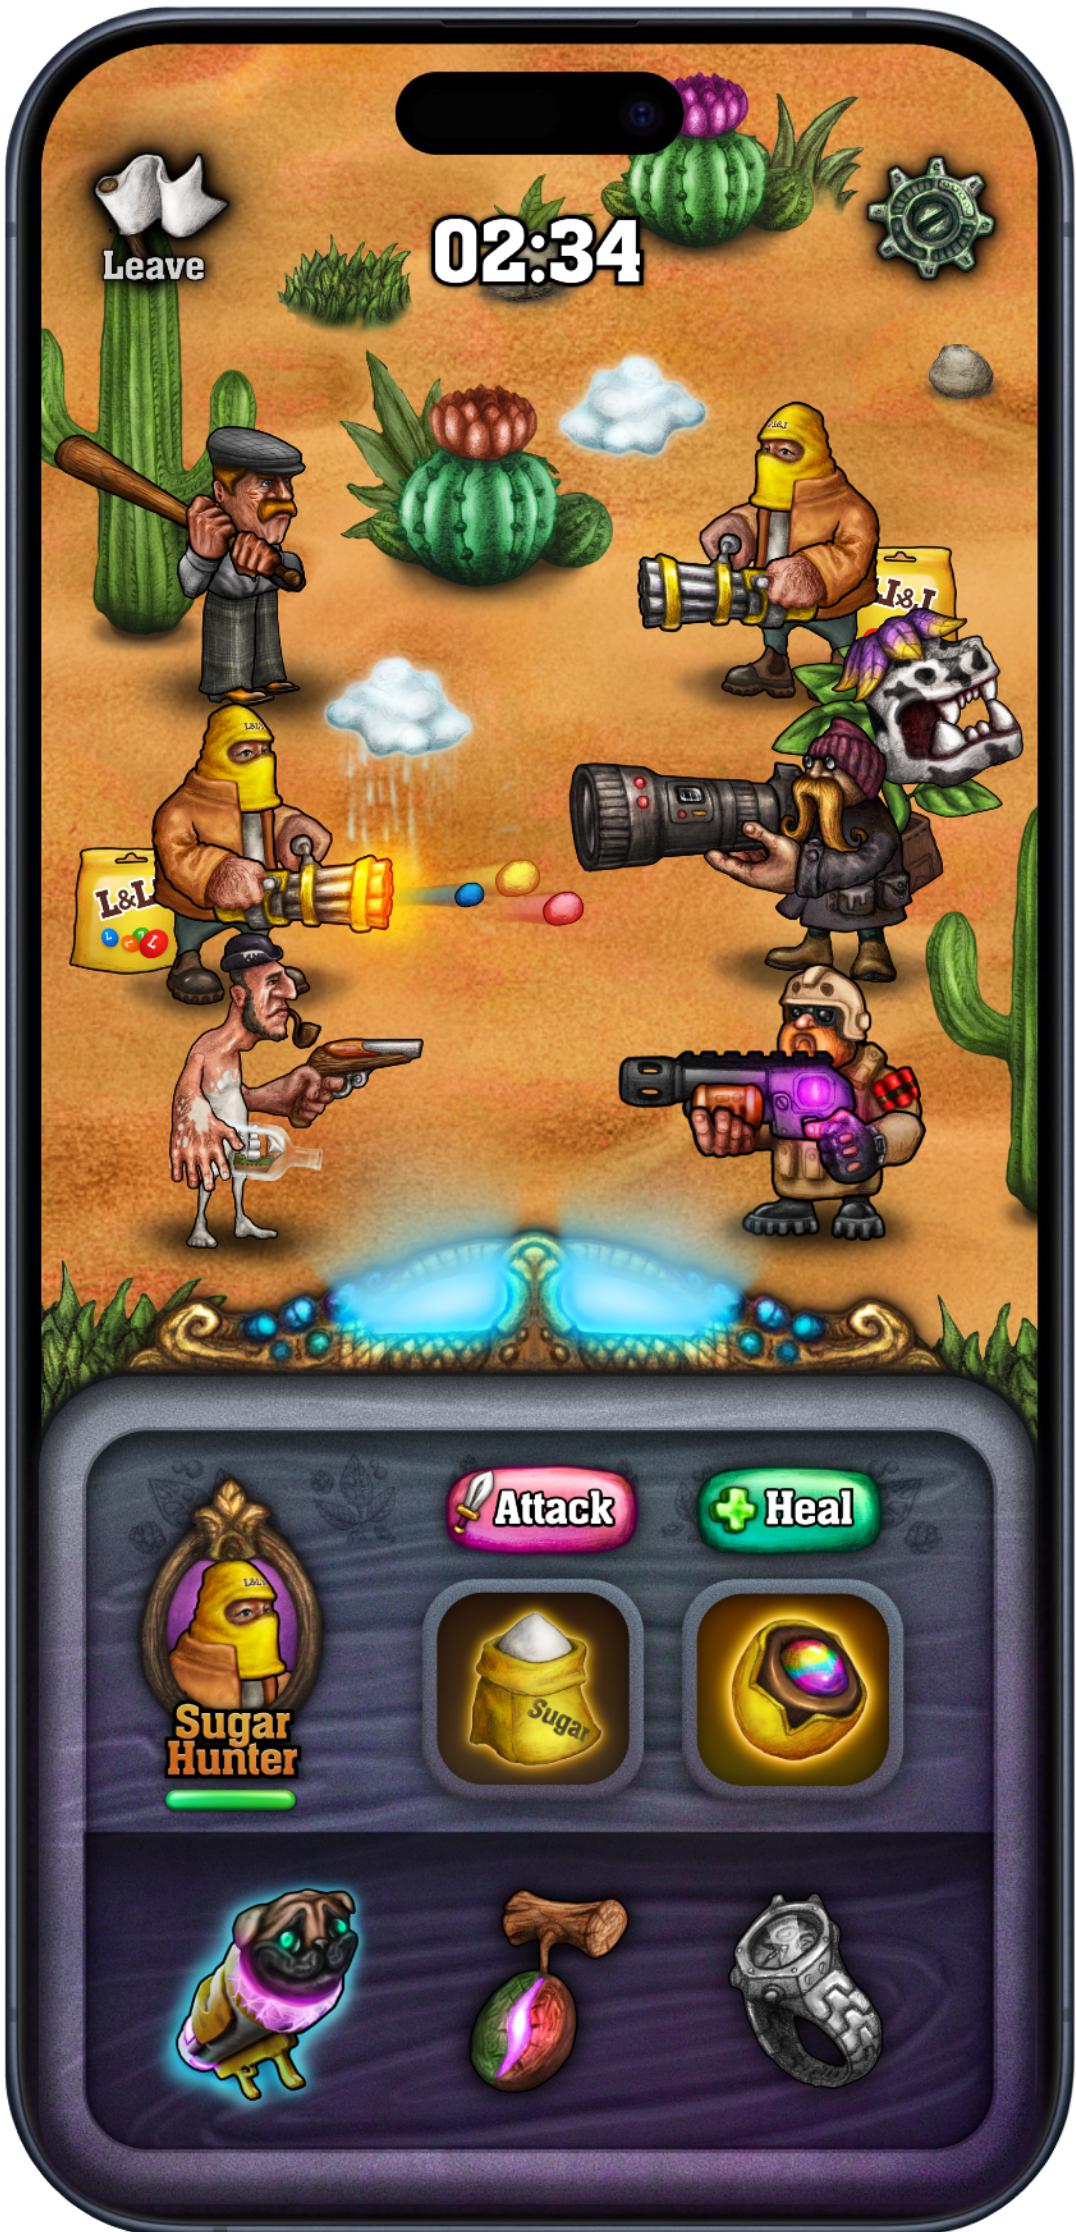

# Buildings Tiles
